

New Application

* Denotes subcategories where recipients must identify the amount of total funds that are allocated to [Evidence-Based Interventions](#).

^ Denotes subcategories where recipients must report on whether projects are primarily serving disadvantaged communities. See [Project Demographic Distribution](#)

For details on acceptable types of capital expenditure see [Types of Capital Expenditure](#)

Project Name *

Project Description (Max 1,500 characters) *

Support Public Health

Subcategory: *

Amount being requested: *

Does this project include a capital expenditure?

No Yes

Choose the total value of the capital expenditure, including pre-development costs

Type of Capital Expenditure

Capital Expenditure Description

Capital Expenditure Justification

If this is evidence-based, please provide the dollar amount of the total project spending that is allocated towards evidence-based interventions: *

Is a program evaluation of the project being conducted?

No Yes

Brief description of structure and objectives of assistance program(s), including public health or negative economic impact experienced *

Brief description of how a recipient's response is related and reasonably and proportional to a public health or negative economic impact of COVID-19 *

Certify: I have read the below information on evidence-based interventions and project demographic distribution. If my project has either denotation, I have included the requirements and the dollar amount of the total project spending that is allocated towards evidence-based interventions and/or project demographic distribution in the verbiage of the project description. *

No Yes
